

Consulting & Management Services

With its headquarters in Fort Lauderdale, Florida, Zorg World is a consulting company that provides innovative solutions with industry insight in different industries around the world.

Our specialty is technology and real estate.

Experience. Knowledge. Solution.

By bringing +20 years of expertise, we help businesses develop a rock-solid strategy by providing the tools, diagnostics and benchmarks necessary to transform their businesses: strategy, marketing, organization, operations, technology and sustainability.

We deliver management consulting services to a broad range of businesses globally. Our startup consultants work directly with business owners to provide an in-depth overview of the market and help them reach informed decisions on the most sustainable direction.

With our extensive network in real estate and technology, we serve as a key point in the Americas region.

We have a broad sales, technical, marketing and legal network and a dedicated team of consultants in the United States.

Our Services

With over 20 years of experience in providing management consulting services, Zorg World enables its clients to access and utilize the best technology who want to define the future. We can provide you industry insight and experience to solve industry-defining challenges, allowing you to focus on your core business.

Some of our services are:

- Real Estate
- Notary Public
- Remote Online Notary
- VoIP Services
- Company Registration
- Investment Consulting
- Start-up Consulting
- Business Consulting

Off-Market Properties

Zorg World Private Exclusives are properties that are only accessible to our agents and their serious buyers.

We pride ourselves on our extensive network and profound expertise in uncovering off-market luxury properties across the United States. These exclusive investment opportunities are not just hidden gems; they represent a unique chance for discerning investors to access properties that are often unavailable to the wider market.

Our dedicated team at Zorg World is committed to providing tailored solutions that align with your investment goals, ensuring you feel supported every step of the way.

We have the insights to help you move your business forward. Let's connect!
